TRINIDAD DEFEATED DAWSON

WON BOTH GAMES IN DOUBLE
HEADER LAST SUNDAY
—GOOD BALL.

The Dawson ball team, accompanied by 300 rooters and the brass band, invaded Trinidad July 16th and 19th, with the expectation of capturing the city and at least one of the ball games. They were up against the weather on the 18th and after McClelland hit for two bases and Graham hit for three the rain started and the game was called, the score being 1-0 in favor of Dawson.

A double header was on the program for Sunday. The first game, called at 1 o'clock, was a good one and Dawson was unfortunate in having the umpire against them. Two of his decisions were very costly. The score was 2-1 in favor of Trinidad. The Dawson team put up the better article of ball and should have won with fair decisions. Graham's playing at first and Barr's pitching were features. Barr only allowed Trinidad four hits. While he was wild and passed a few, his pitching and fielding his position was much better than Honska's.

Graham and McClelland had Honska eating out of their hands all the time. McClelland would come up and hit safe, then Graham would split a board on the fence. If McClelland could have run bases as well as Graham, Dawson would have had two or three more runs. McClelland and Graham each got three hits.

The second game started at 3:30 was not as good, for six innings the score was 2-1, but the Dawson infield was to the bad and error followed error. The final score was 5-1 in favor of Trinidad. Topcz pitched for Dawson, while Barngrover served them for Trinidad. The

Trinidad man pitched the better game.

A large crowd saw both games and all were satisfied that they received their money's worth.

The Dawson band won the crowd, and all in all it was not a bad day for Dawson.

It is expected that a return game will be played about August 8 and 9 at Dawson.

The Dawson band of sixty pieces looked very natty in their new uniforms.

MAKERS OF FALSE TESTIMONY HELD IN GOULD CASE

New York, July 21.—Under the direction of the district attorney's office a man and a woman were arrested on charges of attempting to procure false evidence and to bribe witnesses to give false testimony in favor of the plaintiff in the divorce suit of Mrs. Helen M. Kelly Gould against Frank J. Gould.

Another woman, now ill and under police surveillance, is said to be involved in the alleged plot.

The persons in custody are Henry J. Mansney 31 years old, a private detective, and Julia Fleming, 25 years old, a seamstress.

According to Assistant District Attorney Nathan A. Smyth, who directed the arrests, the two, together with the other woman, not apprehended, offered Mabel D. MacCausian, a young milliner's apprentice, \$600 to sign an affidavit stating that she had seen Frank Jay Gould in the company of an actress in a hotel.

The two women are said to have approached Miss MacCausian.

WIDOW SUES HER HUSBAND'S SLAYER

Kansas City, July 21.—A suit to recover \$10,000 damages for the killing of her husband, Frank L. Mackay, a commission broker, was instituted in the circuit court yesterday by Mrs. Mackay against James M. Chandler, now under indictment for the murder. Both the Chandlers and Mackays stood high in financial circles here. The murder occurred in Mackay's office about two weeks ago, the outgrowth of a business transaction.

LOCALS AND PERSONALS

J. O. Rogers, of the Crocker Mercantile Co., who has been on a short vacation for the past two weeks, has returned to Cimarron. During his trip Mr. Rogers visited his Denver, taking in the big convention, and then made an extended tour throughout the western part of Colorado.

Mr. E. H. Fisher, of the Cimarron Townsite Company's force, spent Sunday in Trinidad, making in the Dawson-Trinidad ball games.

The Citizen is in receipt of the second copy of the Albuquerque Booster, a neat little paper in pamphlet form, which is published by the Booster Press, R. K. Noble, manager. This little paper is a monthly and its object is to boost not only Albuquerque but the whole southwest as well. It is extremely well gotten up and is very interesting.

L. Howe is in Cimarron following his trade as a sign painter. He is getting out a large number of fine signs for Henry Livran, and expects to make this place his home if the business is sufficient.

Mrs. Pearl Keefer, who has been running the Cimarron laundry, has left Cimarron for the east where she will make her future home. The laundry, however, will still do business at the old stand, under the competent management of "Happy" Brogan.

RICH SOCIALIST TO RUN FOR ASSEMBLY

New York, July 21.—James G. Phelps-Stokes, the millionaire Socialist, will run for the assembly from the eighth district, which takes in part of the lower East Side. It is announced that Mrs. Stokes will take the stump for her husband.

Mr. Stokes became prominent in the public eye in 1905 when he married Rose Pastor, a poor East Side girl whom he had met in settlement work. He was born of rich and aristocratic parents, the descendants of four governors of Massachusetts. He was graduated from Yale with the class of '06.

ATTEMPT ROBBERY

Ada, Ohio, July 21.—Six masked men rode into Ada late last night and attempted to rob the local bank. While three of the gang waited near the bank building the other three went to the home of Cashier Myers and, arousing him, compelled him to go to the bank with them. They attempted to compel Myers to open the safe. The cashier, however, convinced the men that the safe was equipped with a time lock and that it could not be opened. Thereupon two of the robbers took Myers to a nearby woods and tied him up, the other three men remaining at the bank to blow the safe. Myers, however, escaped from his captors and turned in a fire alarm, arousing the citizens. The cracksmen jumped on their horses and galloped out of town. They were pursued for some distance but finally escaped in the darkness. The robbers did not succeed in opening the safe.

BOY DROWNS DESPITE
BROTHER'S EFFORTS

Greeley, Colo., July 21.—Charles Bradford, aged 9 years, son of B. W. Bradford, was drowned yesterday in Elliott's reservoir near Plattville. Bradford and his two sons were working on a ditch near the reservoir. Bradford warned the boys not to go too near the reservoir, as the banks were treacherous. The lads failed to heed the warning and started wading, and both stepped into a hole.

The elder boy, aged 12, got out and removed his trousers, using them as a life line for his brother, who however, did not have sufficient strength to retain his hold upon them to be pulled to safety. The body was recovered and will be sent to Denver for burial.

THAW'S LIBERTIES MUCH CUT DOWN

Poughkeepsie, N. Y., July 21.—Harry Thaw, who is in jail here awaiting arguments on his application for a jury inquiry into his sanity, was today locked up in the main prison by order of Sheriff Chanler, who told the jailers that Thaw was receiving so much attention that other duties were neglected.

Thaw, although in the corridor by himself, loses many of his liberties by the change from the juvenile department, such as unlimited use of the long distance telephone, eating meals with his jailers and having the run of the main hall.
